

The Student Success Impact Mini Grant is designed to positively impact student success and address the inclusive excellence plan. One-time mini grants will be available to support activities and/or projects proposed by faculty (T/TT, NTTR, Visiting Assistant Professors, and temporary lecturers who have three or more years of service are eligible) that are aligned with the college success and retention initiatives as stated in the [Inclusive Excellence Plan](#) and/or [NKU's Strategic Framework](#). The focus of the Student Success Impact Mini Grant is to directly support students and activities/projects that, at the end of the initiative, will have an immediate impact on student success (retention, graduation, sense of belonging) in Arts & Sciences programs. The maximum amount of funding is \$1000.
